

S.A. Scale Model Expo
13 -14th October, 2018

South Australian Plastic Modellers Association (SAPMA)

May 2018

Dear S.A. Scale Model Expo Trader,

Firstly thank you for your support of the S.A. Scale Model Expo (SASME). As you would be aware SASME has been the major modeling event in South Australia for over 30 years, it has been a solid success offering a showcase for some of Australia's best scale models.

***Reminder: We have moved, to a new, venue:
Immanuel College, 32 Morphett Road, Novar Gardens, SA
A purpose designed auditorium that is air-conditioned, carpeted, security
patrolled and offers ample, free of charge, off street parking.***

This major upgrade in venue for the SASME comes at a cost which SASME has to be pay well in advance, due to this we ask that your Trader/Sponsorship fees be paid at the time of registration please. Despite the substantially more expensive venue we have held our fees to that of previous years.

A key ingredient for this success has been the diversity and support of our model traders and the modelling community. SASME aims to continue to support our Traders and to this end will continue to restrict Trader entry to SASME to ABN holders only. Traders do not compete with private sellers.

Your continued support will allow the organising committee to progress our goals of expanding the SASME in size and scope. We will expand upon the paid promotional advertising of previous years to promote this new chapter of the SASME.

Trader / sponsors are welcome to have their business cards and flyers on the display tables for the categories that you are sponsoring.

Please feel free to call me to discuss, should you have any questions. Once again thank you for your support of South Australia premier scale modelling event with is the South Australian Scale Model Expo.

Kind regards

TRADE CONDITIONS: S.A. SCALE MODEL EXPO
(Updated May 2018)

TRADER PAYMENTS

- Cancellations made within fourteen (14) days prior to SASME will require payment in full.
- **Please pay your trader / sponsorship fees by the date stipulated on the registration form. This is required due to our need to pay the event's major costs "up front".**
- If paying by cheque please make your cheque payable to **SAPMA**. A receipt will be issued to you for your payment.
- Trade fees are \$100.00 per trestle / site (max. number of trestles is 3). ***Nb. a discount on trestle fees will only be made available to any trader who undertakes to sponsor at least one technical judged category (or a major award / trophy).***
- All products and display material is to be limited to your allocated site / area. Use of additional floor space will be monitored and charged at \$30 per trestle space.
- Traders restricted to ABN holders only, with a bonafide hobby business.
- Excessive display lighting (including flood lights) is not permitted as they greatly detract from the model display.
- Please contact me if you require access to a power-point for sales processing purposes.
- Formal demonstrations at trade sites are not encouraged due to foot traffic congestion and/or safety concerns.
- We reserve the right to allocate trade locations and the number of trestles at our discretion and in the best interests of the overall event.
- Each trader is responsible for stock / product control. The organising committee does not accept responsibility for the loss or damage of any goods before, during and after the EXPO.
- Trader sites must open for trade during public hours on both days.
